Decals

- "Can Decals Be Removed and Re-Used?" Auto Restorer (October 2003): 6
"Decal Sources (Cadillac Air Cleaner)," Auto Restorer (August 2003): 7
"Was There a (Cadillac Air Cleaner) Decal?" Auto Restorer (December 2003): 5

Detailing (see also, "Finish Care," "Maintenance"):

- "Attention to Detail" Classic Auto Restorer (August 1995): 22.
"Baking the Best of It: Painting/Baking Bolt Heads," Super Chevy (June 1993): 15.
"Detailer's Paradise: A Buyers Guide to What Can Help Make Your Bow-Tie Shine," Super Chevy (April 1996): 46.
"Details on Detailing," Super Chevy (April 1996): 30.
"Details on Detailing: Photo Tips to Get Your Creative Juices Flowing," Super Chevy (July 1999): 83
"Engine 'New'-ity: Underhood highlights that Really Make a Difference," Super Chevy (June 1996): 54
"FYI: Looking Good (Tips)," Chevy Truck (July 1999): 14
"Interior Decorations: 30 Tips to Help Sanitize Your Chevy's Office," Super Chevy (April 1996): 38
"One-Step Detailers: 29 Sprays Do Battle," Classic Auto Restorer (May 1998): 12
"Sprucing Up For Spring," Super Chevy (June 1997): 65
"Sweating the Details: Tips from the Pros about Keeping Your Care Clean," Super Chevy (June 1997): 56
"Underhood Sparkle: Engine Compartment Detailing Tips," Super Chevy (April 1996): 77

Documentation:

- "Check it Out," Super Chevy (April 1995): 90
"(1987 Buick) Grand National Documentation (Location)," Auto Restorer (December 2000): 6

Dodge

- www.garygoers.com
www.oldmoparts.com

Dodge--Charger

- "Is This Spoiler Original Equipment (1971)?" Auto Restorer (January 2002): 8

Dodge--Pickup (See "Pickup: Dodge")

Doors--See "Body: Doors"

Drive Train--Clutch:

- "A Gear-Grinding, Hot-Running Hup," Auto Restorer (December 2004): 7
"His New Clutch Vibrates," Auto Restorer (May 2001): 7
"Hot Rods (with Cool Ends): A Simple Cure for Clutch Linkage Slop," Super Chevy (July 2000): 133
"Parts Product Guide" Super Chevy (October 1996): 144
"Slippin' Into Darkness: Changing Clutches," Classic Auto Restorer (April 1994): 53

Drive Train--Converstions, Transmission:

- "Modern Trans and Vintage Engine (Adapter Kits)," Auto Restorer (January 2005): 8

Drive Train--Differential/Rear End

- "Brakes, Drive Shafts, and Gear Ratios," Super Chevy (October 1996): 86
"Bringing Up the Rear," Super Chevy (June 1997): 32
"Bringin' Up the Rear End: How to Install a Set of 3.73 Rear Gears in a Late Model Corvette," Super Chevy (October 1996): 60
"Chevy Kickin' Rear: 12-Bolts Forever; Just Say No to Nine-Inch Fords," Super Chevy (August 1998): 106
"Differential Rebuild: Part 1," Auto Restorer (May 1999): 18
"Differential Rebuild: Part 2," Auto Restorer (July 1999): 9

"Differential Rebuild: Part 3," Auto Restorer (August 1999): 22
"Get a Grip: Installing a Centerforce Clutch," Chevy Truck (January 2000): 40
"Identifying Nine-Inch Ford Rear Ends," from Street Rodder (May 1995), in file folder, "Articles."
"Muscle for Your Rear: A 12-Bolt Package," Super Chevy (September 1999): 110
"Parts Product Guide" Super Chevy (October 1996): 144
"Positive Gearing: Our First-Generation Camaro's 10-Bolt Gets Beefed and Installed," Super Chevy (April 1998): 142
"Posi-tive Performance (12-Bolt Chevy Positraction)," Hot Rod (May 1991): 98
"Rear End Rebuild," Classic Auto Restorer (September 1996): 6
"Rear End Re-do: Make Your Classic a Highway Cruiser," Custom Classic Truck (August 1999): 84; Chevy Truck (July 2000): 50
"Rear End Surgery: How to Install a Mustang Rearend and Parallel Leaf Springs in an Early Pickup," Custom Classic Trucks (December 1998): 102
"Rearin' to Go: a Step by Step Look at Refurbishing an Early Model Chevy Third Member-Type Rear End," Super Chevy (May 1994): 36
"Replacing Rear Wheel Bearings," Auto Restorer (February 2003): 18
"The Differential Difference: Changing the Rear End Ratio Can Make Your Vehicle a Better Driver," Classic Auto Restorer (January 1998): 17
"Truck Axle Swap Information (Chevy/GM Trucks, 1960-72)," Auto Restorer (March 2001): p. 4
"Turning the Corner: History and Methodology of Differentials," Classic Auto Restorer (August 1996): 6
"12-Bolt Boogie," Chevy Truck (January 2000): 102

Drive Train--Differential/Rear End Conversions

"This Swap (1968 Firebird) Won't Save Money," Auto Restorer (February 2004): 8

Drive Train--Drive Shafts/U-Joints:

"Brakes, Drive Shafts, and Gear Ratios," Super Chevy (October 1996): 86.
"How to Replace Drive Shaft Universal Joints," Car Craft (September 1995): 42.
"The Key is to be Flexible (Replacing U-Joints)," Classic Auto Restorer (July 1996): 6.
"Parts Product Guide" Super Chevy (October 1996): 144.
"Universally Yours: The Inside Story on U-Joints," Super Chevy (June 1997): 138.

Drive Train--Shifters

"From Push Buttons to the Column (1964 Plymouth Valiant)," Auto Restorer (February 2004): 7
"Pro 5.0 Power Tower: Aftermarket Shifter for 6-Speed Camaro," Super Chevy (February 1998): 124
"Shift in Time: TH 350 – 400 Upgrade in '56 Chevy, Retaining Column Shifter," Super Chevy (April 2000): 15

Drive Train: Transmission, Automatic--General

"Automatically Faster," Speedway Illustrated (December 2001): 102
"More on Transmission Coolers (Fluid Routing)," Auto Restorer (May 2001): 5
"Resource for Vintage Automatic Transmissions," Auto Restorer (January 2004): 8
"Routing a Transmission Cooler," Auto Restorer (January 2001): 7
"Two Leaking Transmissions (at speedometer drive gears),"
"Two Leaking Transmissions (at speedometer drive gears)," Auto Restorer (November 2002): 6

Drive Train: Transmission, Automatic—Buick

"A Nailhead with a Hydra-Matic (Difference Between Turbo 350 and 400)," Auto Restorer (February 2001): 7
"(Buick) 1964 Nailhead/Hydra-Matic Response," Auto Restorer (April 2001): 5

Drive Train: Transmission, Automatic—Chevrolet

"A Healthy Powerglide: These Chevy Automatics Will Perform for Decades with Reasonable Care," Auto Restorer (January 2002): 25
"About the 700R4 Transmission," Auto Restorer (May 2004): 5
"Automatic Transmission Rebuild (TH-350C), Part 1--Disassembly," Auto Restorer (February 2001): 9
"Automatic Transmission Rebuild (TH-350C), Part 2," Auto Restorer (March 2001): 9
"Automatic Transmission Rebuild (TH-350C), Part 3," Auto Restorer (April 2001): 22
"Automatic Transmission Rebuild (TH-350C), Part 6," Auto Restorer (July 2001): 22
"Bionic Transmission (GM 4L65-E)," Super Chevy (November 2003): 51

- "Full Speed Ahead: Installing a Tremac 5-Speed in Your First Generation Camaro," [Super Chevy](#) (September 1999): 20
- "Must Have TV (Throttle Valves)," [Super Chevy](#) (September 2001): 153
- "Ongoing Powerglide Woes," (January 2001): 8
- "The Right Stuff: Keeping the Factory Shifter After a 700R4 Upgrade," [Super Chevy](#) (July 1998): 144
- "Stick Tricks in an Automatic: Refresher Course on Clutch Swaps and Gear-Banging Hardware," [Super Chevy](#) (November 1998): 50
- "Super-Mega Trans Tricks: Taking the Slush Out of Your 700-R4 Slushbox," [Super Chevy](#) (July 2000): 105
- "Turbo to Go: The Toy Shop Builds a 350 Turbo Transmission," [Super Chevy](#) (July 1998): 120

Drive Train: Transmission, Automatic—Dodge

- "A Novice with (Old Dodge Pickup) Fluid Drive," [Auto Restorer](#) (January 2005): 7
- "Fluid-Drive Fluid," [Auto Restorer](#) (March 2001): 5

Drive Train: Transmission, Automatic—Ford

- "Ford Cruise-O-Matic Information," [Auto Restorer](#) (October 2002): 6
- "Overdrive for Old Fords," [Custom Classic Trucks](#) (October 2001): 94
- "When Can I Use the Overdrive (1955 Ford Thunderbird)?" [Auto Restorer](#) (July 2004): 8

Drive Train: Transmission—Conversions & Swaps

- "An Automatic for '54 Ford F-100," [Auto Restorer](#) (May 2004): 7
- "Not All Mods Are Easy (1963 Falcon Ranchero)," [Auto Restorer](#) (December 2004): 7
- "Not All Mods Are Easy (1967-72 Chevrolet C10 Pickups)," [Auto Restorer](#) (December 2004): 7
- "Should I Install an Overdrive? (1979 Lincoln Mark IV)," [Auto Restorer](#) (October 2003): 8
- "Transmission (Automatic) Swap (to 1956 Chevy Pickup)," [Auto Restorer](#) (November 2000): 8

Drive Train—Transmission (General)

- "Aluminum Transmission Cases: Restoring them Takes Ability--and Specialized Equipment," [Classic Auto Restorer](#) (February 1998): 22
- "Bushing Pusher (Removing Stubborn Transmission Shaft Bushings from Flywheels)" [Classic Auto Restorer](#) (December 1995): 80
- "Chevy Shuffle: Home-Grown Bow-Tie Engine and Transmission Swaps," [Super Chevy](#) (October 1995): 60
- "Parts Product Guide" [Super Chevy](#) (October 1996): 144
- "Twelve Common Transmission Problems and Their Causes," [Classic Auto Restorer](#) (April 1996): 9
- "Weld-in Transmission Crossmember (Installation Article)," [Danchuk 5.6.7](#) (Summer 2002): 1

Drive Train—Transmission (Manual)

- "Gettin' in Gear, Part 1: Analyze and Improve Your Classic's Gearing for a Better Ride," [Classic Auto Restorer](#) (November 1997): 24
- "Gettin' in Gear, Part 2: Adding an Overdrive Improves Performance and Economy," [Classic Auto Restorer](#) (December 1997): 22
- "How to Trouble-shoot a Manual Gearbox" [Classic Auto Restorer](#) (December 1994): 26
- "Natural Selection: a Better Understanding of the Standard Transmission will Put You in Gear for a Restoration Project that You May Have Been Putting Off Long Enough," [Classic Auto Restorer](#) (April 1996): 6
- "OD on Performance (U.S. Gear's V20D)," [Super Chevy](#) (January 2003): 76
- "Slick Shifts: Rebuild Your Standard Transmission and Enjoy Smooth Shifting for a Long Time to :Come," [Classic Auto Restorer](#) (May 1996): 6
- "Torque Converter Balancing," [Auto Restorer](#) (February 2002): 7
- "A Way to Figure Gear Ratios," [Auto Restorer](#) (May 2003): 8

Drive Train: Transmission—Manual, Chevy

- "Get on the Stick: A New Twist on a '57 Chevy Four-Speed Conversion," [Super Chevy](#) (April 2000): 39
- "Make Mine Muncie: Rebuilding a Four-Speed," [Super Chevy](#) (February 1998): 152
- "Overdrive for a Pickup," [Auto Restorer](#) (March 2003): 6
- "Row Your Own: Installing a Borg-Warner T-5 Five Speed in a 1964-72 A-Body," [Super Chevy](#) (April 1993): 96
- "Short Shifted: Installing a Tremec 5-Speed Into a Third Generation Camaro," [Super Chevy](#) (December 1996): 78

Drive Train—Transmission, Mustang

"Can I Use This Transmission (3-speed to 4-speed conversion)?" Auto Restorer (February 2003): 8

Drive Train—Troubleshooting

"Advice for a Vibrating (1963) Buick Wildcat," Auto Restorer (January 2005): 4

Economy

"Bargain Facelift: Quick and Easy Ways to Spruce Up Your Classic for less than \$50," Super Chevy (March 1999): 59

Education

"Funds for Restoration School (McPherson College)," Auto Restorer (October 2003): 3

"Restoration School: Turn a Hobby Into a Career," Auto Restorer (October 2001): 26

"Scholarship is a Duesie," Classic Auto Restorer (July 1997): 8

El Camino (See also "Feature Cars--El Camino):

"Channel Surfing: Curing an El Camino's Leaky Rear Window Channel," Super Chevy (February 1998): 60.

"Fast Freight," Super Chevy (March 1995): 26.

"For What It's Worth," Classic Auto Restorer (May 1996): 4.

"Make Ours Rare," Super Chevy (May 1995): 90.

Electric Cars

"Restoring Electric Vehicles," Auto Restorer (September 2003): 14

Electrical

"A Baffling (1974) Camaro Seat Belt Interlock System Override Button," Auto Restorer (May 2001): 6

"A Wiring Mystery (Amp Gauge Wires, 1965 Chevrolet SS)," Auto Restorer (December 2003): 8

"Circuit Maker: Building Simple Wiring Harnesses at Home," Super Chevy (September 1994): 98

"Electrical Components Source," Auto Restorer (October 2002): 5

"Electrical Protection: Accuvolt Helps Keep the Tunes Right on Coming," Super Chevy (December 1996): 24

"Electrical Updates: Some Modifications are a Good Idea; Others Can Be a Waste of Time (Good Wiring Diagrams for Conversion from Generator to Alternator)," Auto Restorer (March 2001): 18

"Electro-Goodies: Comprehensive Guide to Wiring and High Performance Electronics," Super Chevy (September 2001): 138

"Falcon Electrical Problems (1963 Ford Falcon)," Auto Restorer (April 2000): 8

"Fighting Wiring Corrosion," Auto Restorer (August 2002): 7

"Getting Wired: The Easy Way to Make Connections," Custom Classic Trucks (June 2000): 40

"Getting' Wired: a Painless Way to Rewire Your Bow-Tie," Super Chevy (March 2000): 95

"A Handle on the Harness: Rewiring Your Electrical System Shouldn't Come as a Jolt," Classic Auto Restorer (January 1996): 44

"Inexpensive High-Quality Wiring (Connectors)?" Auto Restorer (October 2003): 6

"Install Electric Wipers (1955-59 Chevy Trucks)," Custom Classic Trucks (February 1999): 32

"Lay'n Wire," Super Chevy (September 2001): 127

"Learning Electrical Jargon," Auto Restorer (September 2003): 9

"Need Help with the (1970 Plymouth Barracuda) Fog Lamp Switch," Auto Restorer (January 2005): 8

"Power Problems . . . of the Electrical Variety," Super Chevy (January 1997): 86

"REO Turn Signals and Power Windows (for '49 Chevy Pickup)," Auto Restorer (September 2002): 4

"Repair Electrical Switches," Auto Restorer (April 2001): 32

"Seeking a Six-Volt Tach, Pt. 3," Auto Restorer (May 2004): 4

"Short-timer: finding shorts in your system" Super Chevy (March 1995): 72

"Some Electrical Basics: Troubleshooting and Repairing Automotive Lighting Circuits," Auto Restorer (May 2003): 25

"Starter & Tail Light Troubles (1937 Chevy ½-Ton Pickup)," Auto Restorer (December 2003): 7

"Stress-Free Wiring," Custom Classic Trucks (December 2001): 86

"Stringing Your Bow-tie--The Painless Way: Updating Electrical Systems Doesn't Have to Hurt," Chevy Classics (Summer 1998): 41
