
Car Magazine Index (Engines)

29 September 2006

Engine:

- "Displacement Math: Figuring Engine Displacement," Classic Auto Restorer (June 1998): 5
- "Engine Transplants: Repair or Replace?" Auto Restorer (September 1999): 9
- "How Are Engines Cast?" Auto Restorer (July 2003): 8
- "Our Top Ten Engine Picks," Auto Restorer (June 1999): 11

Engine: Belts

- "His Belts Stretch," Auto Restorer (February 2002): 7
- "That Belt Just Keeps Squealing," Auto Restorer (October 2004): 8

Engine: Breathing (Air Filters, Etc.):

- "Better Breathing: Is Your Air Filter and Housing Robbing H-Power? Are You Sure?" Super Chevy (May 1997): 166
- "Dual-ing Snorkels: Find Dual Snorkel Filters for Second-Generation Camaro Z-28," Super Chevy (April 2000): 16

Engine: Buick, Straight-8

- "The Buick Straight Eights," Auto Restorer (January 2000): 25

Engine: Buick V8

- "Buick Performance Parts Search (322 V-8)," Auto Restorer (October 2000): 7
- "Buick's Aluminum 215 V-8," Auto Restorer (October 2000): 18
- "Buick's Nailhead V-8," Classic Auto Restorer (September 1998): 19
- "Nailhead Fan," Classic Auto Restorer (December 1998): 4

Engine: Building/Rebuilding

- "Adjustable Mounting Brackets for SB Chevy," Custom Classic Trucks (October 1998): 80
- "At Large: Building a 454 Cubic-Inch Small Block," Car Craft (January 1992): 68
- "Against All Odds: Affordable Horsepower from a Crate 502," Hot Rod (August 1996): 53
- "Beginner's Build-up: Part 1--How I Built My First Engine," Super Chevy (September 1998): 162
- "Big, Blown and Bad (421 Small Block Chevy)," Super Chevy (August 1997): 32
- "Bigger, Better, Faster: Part 5--All Tubed Up (Headers/Exhaust)," Super Chevy (September 1999): 76
- "Block Prep Basics," Popular Hot Rodding (December 1994): 90
- "Budget 400 HP 383," Hot Rod (August 1996): 62
- "Building Blocks: How to Tell the Small-Block Bow-Tie Players Without a Program," Super Chevy (September 1997): 64
- "Building Your Own Engine: It's Not All That Hard," Custom Classic Trucks (August 1998): 86
- "Completing the Engine Rebuild," Classic Auto Restorer (March 1996): 6
- "Crank Calls: Engine Rebuilding Tips," Classic Auto Restorer (January 1996): 14
- "The Devil is in the Details: Helpful tips for a Successful Block," Chevy Truck (July 2000): 66
- "Does Your Engine Measure Up? Check Your Components Thoroughly Before Sending Your Block to the Machine Shop," Classic Auto Restorer (December 1995): 18
- "Enchanted Engines: How to Put Sheep's Clothing on a Wolf," Super Chevy (February 1998): 84
- "Engine Building Ideas from Modest to Maniacal Bow Ties," Chevy Action (Spring 1991): 42
- "Engine Degreasing," Auto Restorer (August 2001): 12
- "Engine Rebuild (1939 Plymouth Flathead Six)," Auto Restorer (December 2001): 18
- "Engine Rebuild, Part 2," Auto Restorer (January 2002): 9
- "Engine Rebuild, Part 3," Auto Restorer (February 2002): 20
- "Engine Rebuild, Part 4 (6-cylinder flathead)," Auto Restorer (March 2002): 18
- "Engine Rebuild Advice: Stock or Upgrade?" Auto Restorer (July 2002): 6
- "Engine Machine Work," Auto Restorer (September 2002): 14
- "Getting to the Bottom of Things: Our Engine Rebuilder Has Moved on to the Lower Reaches of His Chevy Powerplant" Classic Auto Restorer (Nov. 1995): 36
- "A High Performance 'System' in a Box," Super Chevy (July 2000): 125
- "Huffer Overhaul (Chevy 427), Pt. 2," Super Chevy (November 2003): 68
- "In Pursuit of Perfection: the Art of Engine Blueprinting," Chevy Truck (July 1999): 64

"Instant G-'Rat-ification: Happiness is Building Your First Big Block," Super Chevy (September 1996): 40
 "I've Cleaned with Acid," Auto Restorer (October 2003): 4
 "The Last Small Block," Popular Hot Rodding (November 1995): 34
 "Manic Mouse: Pulling 600 HP from a 9.8:1 Compression Small Block," Super Chevy (July 1993): ?
 "The Master Plan: Blueprinting an Engine," Super Chevy (May 1997): 90
 "Mini Blower with Maxi Power: A Mid-dollar Blown Small Block with Astonishing Power," Chevy Truck (July 1999): 50
 "My First Engine Rebuild, Pt. 4—The Finale," Super Chevy (November 2003): 100
 "My Old Pal" (235CID Six) Classic Auto Restorer (October 1995): 21
 "Power to Pull Away: Building a Small Block Chevy Engine," Custom Classic Trucks (April 1998): 92
 "Power to the (Syste)max: 425 Streetable Horses with Holley's New Performance Packages (Small Block)," Super Chevy (September 1996): 54
 "Rebuilding Hydraulic Lifters," Classic Auto Restorer (December 1995): 22
 "Responsible Performance: Hot New Street-legal Chevy Engine Combinations," Super Chevy (March 1993): 80
 "Retro-Rat: Building a '69-Style 427 Street/Strip Big Block," Super Chevy (January 2000): 28
 "Screw the Rules: What It Takes to Build the Ultimate 434-inch Mouse Motor--Part 1, Machining and Preparation," Super Chevy (September 1996): 16
 "Screw the Rules, Part 2--Final Assembly," Super Chevy (October 1996): 16
 "Shot Peening: It's a Great Way to Strengthen Engine and other Components," Auto Restorer (January 2001): 14
 "So Where's the Blueprint," Classic Auto Restorer (May 1997): 48
 "Specs. Are Important," Auto Restorer (August 2001): 24
 "Strong-Arm Tactics:The Real Spin on Chevy Cranks," Super Chevy (September 1997): 76
 "Time to Update Your Gaskets," Auto Restorer (December 2003): 7
 "Top End Tactics: the rebuilding process after your engine comes back from the machine shop," Classic Auto Restorer (February 1996): 20
 "Two Early Engine Mods (Adjustable Valve Tappets and Modern Thrust Bearing)," Auto Restorer (December 2003): 9
 "Wants Factory Replica 350/LT1 V8" (parts required for a 360 HP 350) Popular Hot Rodding (January 1996): 16
 "15 Brutally Basic Engine-Building Tips," Super Chevy (January 2003): 95
 "150 Hot and Easy Engine Building Ideas," Hot Rod (May 1991): 25

Engines: Cadillac

"A Century of Innovation," Auto Restorer (March 2003): 18
 "Our Top 10 Engine Picks," Auto Restorer (June 1999): 11
 "The '49 Cadillac Overhead V-8: A Pioneer That Helped Launch the Modern Engine Design," Classic Auto Restorer (February 1998): 12

Engine: Cams

"The Camshaft Chronicle: the Science Behind the Hard-Working Part that Gives Your Valves a Lift," Classic Auto Restorer (May 1998): 7
 "Carbureted, Compressed, Cammed & Converted: Part 3," Super Chevy (September 1995): 68
 "The Correct Camshaft, Part 2," Auto Restorer (June 2000): 18
 "The Correct Camshaft, Part 3," Auto Restorer (July 2000): 22
 "Direct Connection: Cam Drives--What You Need to Know to Choose the Right One," Super Chevy (March 1993): 66
 "Engine and Brake Questions: Using 'Foreign' Cams in Engines," Auto Restorer (February 2002): 8
 "On the Cam: A Small Block Chevy Camshaft Buyer's Guide from the Cam Companies' Best Sellers List," Car Craft (November 1996): 68
 "Prep Work is Essential When Installing a New Cam," Classic Auto Restorer (March 1997): 12
 "The Real Deal: Camshaft Fantasy vs. Reality," Chevy Truck (July 2000): 24

Engine: Chevy (General Information)

"Chevy Shuffle: Home- Grown Bow-Tie Engine and Transmission Swaps," Super Chevy (October 1995): 60
 "Crank it Up" (Identifying Crankshafts), Chevy Action (Spring 1991): 14
 "D.O.A.: Discovering the Real Cause of Engine Failure," Super Chevy (November 1993): 106
 (Engine Failure), Super Street Trucks (November 1993): 106
 "Piston Ring Lands and Ring Clearance," Super Chevy (March 1995): 62
 "Quik Tech: the care and feeding of bolt and thread holes, and how to fill them," Super Chevy (June 1994): 122
 "Rod Almighty: Save Money by Polishing Your Connecting Rod Beams At Home" Super Chevy (February 1995): 40

Engine: Chevy (Six Cylinder)(see also "Engine: Six Cylinder—Straight")

- "The Buzzin' Half-Dozen (When Six Equals Eight)," Super Chevy (September 1996): 116
- "Electronic Ignition Replies (Chev. 235 6 Cylinder)," Auto Restorer (July 2000): 4
- "Fixin' Up the Chevy Six," Chevy Classics (Summer 1998): 49
- "Should Both Engines be Gray (Chevy 235 6-cylinder & 261 6-cylinder)?" Auto Restorer (October 2004): 6

Engine: Chevy (V8 Big Block)

- "Awesome Aluminum: The Story of the ZL-1's Rebirth," Super Chevy (September 2001): 51
- "Charge It! Pump Up a 454 to 730 Horsepower with a Head Swap, Cam and a Super-Charger," Super Chevy (February 2000): 44
- "Corvette 427 Bet," Auto Restorer (August 1999): 5
- "First-Class Upgrade: Install a 502 Chevy Crate Motor (1969 Chevy Panel Truck)," Custom Classic Trucks (October 1998): 58
- "How Can I Identify This Engine (396 or 427)?" Auto Restorer (January 2004): 6
- "The L-78: Chevy's First Hi-Po Rat Motor," Super Chevy (March 1997): 32
- "Numbers for 396's" Super Chevy Best of Resto-Tech: 21
- "Our Top 10 Engine Picks: ZL-1 427CI/430HP," Auto Restorer (June 1999): 11
- "Power Beyond Belief: the Legendary LS-6--Chevy's Most Potent Rat," Super Chevy (February 1997): 24
- "Power House: How to make a Tire Fryer Out of a Low-Compression 454," Chevy Truck (July 1999): 32
- "What's the Rat Answer? (LS5's and LS6's)" Super Chevy (November 1994): 14-16

Engine: Chevy (V8 Small Block)

- "At Large: Building a 454 Cubic-Inch Small Block," Car Craft (January 1992): 68
- "Building from a 327 to 350," Auto Restorer (October 2002): 7
- "Chevrolet's 427 ZL-1," Auto Restorer (December 2000): 14
- "Crate is Great (ZL4 350ci)," Custom Classic Trucks (October 2000): 18
- "Engine Report: Chevrolet Small Block V-8," Classic Auto Restorer (January 1998): 7
- "Going High Tech: 300HP/305CI," Super Chevy (April 1999): 88
- "High-Torque Engine, Part 1—Pull Stumps with a 400 Chevy Small Block," Custom Classic Trucks (April 1999): 22
- "High-Torque Engine, Part 2--Pull Stumps with a 400 Chevy Small-block," Custom Classic Trucks (June 1999): 100
- "Honest Engine (350): 300 Horses for about Five Bucks Apiece," Super Chevy (September 1994): 42
- "The L-79: The Hi-Po Small Block Workhorse," Super Chevy (March 1997): 34
- "Maximum Mouse: Super Chevy Engine Build, Part 1," Super Chevy (December 1998): 50
- "Modern Mouse: The All New Small Block LSI," Super Chevy (November 1996): 116
- "New Crate on the Block: ZZ4 Engine," Super Chevy (November 1998): 34
- "The Next Generation: An Inside Peak at Chevrolet's Newest Engine, the SB2," Super Chevy (September 1996): 36
- "Our Top 10 Engine Picks: 1966 283CI/195HP," Auto Restorer (June 1999): 12
- "Paper Bag Budget: Build an Engine for \$499," Chevy Truck (July 2000): 44
- "Stovebolt Shuffle: Part 1--1968-72 Nova Engine Swaps," Super Chevy (May 1999): 72
- "Stovebolt Shuffle: Part 2--1968-72 Nova Engine Swaps," Super Chevy (June 1999): 106
- "Swap Talk: Bolt in a GM Performance Parts LT4 Crate Engine," Chevy Truck (November 1999): 58
- "Tell Me About My (350 c.i.) Engine Block," Auto Restorer (May 2004): 8
- "57 Chevy Cameo with 1987 350 TPI," Super Chevy (July 1993): 88

Engine: Chrysler (6 Cylinder)

- "Letters: Top 10 Engines (Slant 6)," Auto Restorer (August 1999): 4

Engine: Chrysler (V-8)

- "Mopar 318 A Series V-8," Classic Auto Restorer (December 1998): 19
- "Mopar 426 Hemi," Auto Restorer (August 1999): 26
- "Mopar 426 Max Wedge V-8," Auto Restorer (July 2000): 15
- "Our Top 10 Engine Picks: 1964 426 Hemi," Auto Restorer (June `1999): 12
- "Plenty of Power: 440 Big Block," Classic Autor Restorer (April 1997): 24

Engine: Cleaning

- "I've Cleaned with (Muratic) Acid," Auto Restorer (October 2003): 4

Engine: Computers

"GM's C3 Computer Control," Auto Restorer (September 2003): 31

Engine: Conversions

"A V-8 Instead of a Flathead Six (1950 Ford Tudor)," Auto Restorer (April 2004): 6

"Not All Mods Are Easy (1963 Falcon Ranchero)," Auto Restorer (December 2004): 7

Engine: Cooling

"A Gear-Grinding, Hot-Running Hup," Auto Restorer (December 2004): 7

"A/C and Drivetrain Cooling Parts," Custom Classic Trucks (June 1998): 39

"Chrysler's Head Gaskets Keep Failing," Auto Restorer (July 2003): 7
